Bowers and Buckley Have Heart!...

Manchester teachers Trisha Bourcier and Susan Tryon are the heart and soul of the Manchester Relay for Life team, "Bowers and Buckley Have Heart".

Mrs. Bourcier, a Bowers parent and Buckley teacher, and her best friend, Bowers teacher Susan Tryon, are co-captains of the team again this year.

The Relay for Life event involves more than a weekend jaunt around Northwest Park for a few hours. It is a never-ending commitment with fundraisers and events scheduled throughout the year.

In the upcoming weeks before the relay Mrs. Bourcier and Mrs. Tryon have planned "An Evening of Dancing, Food, and Fun", a Pampered Chef fund raiser, a can and bottle drive, a bake sale, a Dine Out Night at Pastrami on Wry, and more. In fact these tireless teachers never stop reaching out to the community!

Thanks to them Bowers and Buckley certainly do have heart!
